HARTNELL COLLEGE

SALINAS, CALIFORNIA

VOLUME 43

EDITOR: DON ROBERTS

Hartnell College  
Salinas, California 93901

From the beginning of the fall semester until this publication's completion in the spring, an impressive structure has steadily arisen and lapidified into Hartnell's new Science Wing. To be ready for occupancy in the fall of 1963, the edifice will consist of eight laboratories, three lecture rooms, storerooms and instructors' offices. In dedication to this new center of instruction and to those who will teach and learn within its walls, the *La Reata* staff presents herein an informal study of Hartnell College, 1962-63.

# SPECIAL DEDICATION

MR. LORELL McCANN. "I've never felt better in my life. So now is the time to break off from the routine and do a few things with the family."

With these words, Mr. McCann, head of the Hartnell music department, prepared to retire after 31 years as music instructor at the College. The last of the original high school-junior college faculty to leave, the musician and teacher was for eight years co-conductor of the Monterey County Symphony, which he helped to organize in the 1940's. His regret: that Hartnell has not yet built a fine arts building. His greatest satisfaction: the achievements of his former music students.

Another of the "grand old men of Hartnell"—MR. LEGRO PRESSLEY—is retiring this spring from the school he has served so well. An old Blue, a one-time member of the varsity football team at Cal, Mr. Pressley was graduated from the University in 1922 and continued his education in summer sessions at Cal Poly. Among other positions, he acted as Director of Physical Education and Coach at Chowchilla Union High School before joining the Salinas Junior College in 1934. Since then he has instructed in agriculture and has offered sage counsel to countless ag students who will remember him as one of their true guides through the educational maze.

# CLASS OF 1963 JOURNEYS INTO THE FUTURE

This year's graduates come from far and near in their quest for knowledge in order to broaden their cultural and educational programs, to seek proficiency in vocational skills, or to transfer to a four year institution of higher learning. The time at Hartnell is all too brief for the great tasks that lie ahead of the graduates. The future awaits them in a world full of opportunities that will fulfill their goals in their new life.

Perhaps the greatest assets of Hartnell College are the quality of the faculty and the relationship between the student and teacher. It is this informal atmosphere of discussion and experimentation which enables the teacher to pass on the knowledge gained from experience and reflection to the questioning minds of the students.

## MOULDED INTO A UNIT

More than 45 hopeful footballers came out on the sunny field that first day of practice in September. The rigors of the daily two-hour drill, the loss of eligibility and the fierce competition within the ranks cut that number down to a solid 34 who carried through with few serious injuries through the remainder of the season.

Coach James Muldoon's team met aggressive action in the basketball season. The going was rough at first, but with the addition of Ray Brown, Rex Dzura, and a new semester, the team picked up momentum and, by the start of conference play, was in high gear. Losses to Monterey and Vallejo proved to be the deciding deficit for the eager Panthers. The conference proved to be rougher than it has been in past years. Co-conference winner Vallejo represented the conference in the state finals.

*Ernie (Duke) Shelton (32) and Howard Utterback (24) proved to be two of the best backboard men in the conference. Their eagerness, and will-to-win showed the true spirit of a Hartnell Panther.*

*The ability of Ray Brown to put the ball in the basket was a great asset to Hartnell. He proved his outstanding ability in the last two games, when he scored 57 points. He also led the conference in scoring with a 25 points a game.*

*Fredrick Wentworth leaves Lobo defender flat-footed as he drives in for two.*

**KNEELING: FRONT ROW**, left to right: Steve Cassady, Doug Porter, Mike Correa, Harold Edrington, John Castro, Ron Shires, "Robbie" Robinson, Bob Shehorn, James Gildersleeve and Ron O'Neal. **BACK ROW**, left to right: Coach Regli, Jerry Breeden, Mike Lewis, Mike Duncan, Jim Harris, Ray Raphael, Richard Brown, Tom Porter, and Blair Milner. The batboy in the middle is Ed Reyes.

"Play Ball" is heard each year around the country, and Hartnell reflects the people's choice by featuring the national sport. Coach Jess Regli not only views the sport as a collegiate or professional game, but also as a lifelong pastime. Hartnell's young team of 1962 has developed into a zealous Panther with the power to kill its prey. The experienced Panthers have a 5 and 2 record, suffering 2 losses to talented San Jose State spikers. As the season draws to a close, the horse hiders' chances of capturing the title look bright.

Stretch Harris makes the D.P. look effortless.

Stocky Doug Porter raps the horse hide.

Two intent Panthers shatter San Jose State D.P.

Is he or isn't he,  
that is the question.

At the start of every spring the speedsters of the cinder take the track. The tracksters for '63 look to be the best the quarter-oval has seen in many a moon. Head Coach Adams has been pacing his team toward the championship by entering the team in the Cow Palace Invitational. The experience proved valuable, for the sleek Panthers rolled over Monterey in their first outing.

## CROSS COUNTRY

Coach Ed Adams' team victory in the conference climaxed the most successful season in quite a while at Hartnell. The hill-and-dalers finished second last year behind Foothill. Victory was assured in the conference for the Panthers when Bergantz, Parks, and Furrer crossed the finish line to make it five places out of the top eight for the maroon and gold.

# CAMPUS GOLFERS

"If we had one or two good scratch players, we could take any team in the conference," said Coach Arvin Smith, evaluating this year's stick corps. So, at the start of the season, most team members hit in the respectable 80's (playing from championship tees) but were still beating the bushes for that unbeatable low man to top the card.

B.—Tom Baughn played around the fourth or fifth position at the beginning of the season.

C.—Tim Timko moved from his fullback spot to one with less body contact as he grabbed a rating on the golf squad.

D.—Ray Baker, number three man in early play, proved wiry and wily from the tees.

E.—The old redhead, Tim Ragsdale, was one of the veteran competitors from last year and started off in second place.

F.—John Cline dropped his French horn and grabbed a sack full of clubs and led off the season in number one spot.

# DOLPHINS

Water-loving Panthers started the season with confidence, believing that in Chuck Stagner, Greg Hafen, Harry Honaker and Hal Davenport they had a small but winning combination. And they did win several meets. But with the start of conference competition, Honaker and Davenport were declared ineligible because of residence requirements. Coming to the rescue, Mario Marquez and Art Garcia joined the wet squad to make a complete team and competition for the remainder of the season.

Star of the drippers, Greg Hafen won many points in diving into the water as well as skimming through it. He showed excellent form to the M.P.C. Lobos.

Wet Panthers Hal Davenport and Greg Hafen stopped practice long enough to frown at the camera even though the future was bright at that time. Davenport, from Hawaii, specialized in the short freestyle while Hafen excelled in the 100- and 200-yard backstroke.

Not a social butterfly, but one of the best in the water, Chuck Stagner practiced flying through the water, becoming airborne at times.

Mario Marquez found that the jump from pad to pool was not too far. Winner of the 137-pound class on the grunt and groan circuit, he competed in swimming and diving and became one of the standouts (along with the other three) of the Panther team.

These activities have contributed much to the spirit on campus such as volleyball tournaments; badminton and tennis; basketball and playdays. Most of these activities have been co-educational and all have been quite successful.

Throughout the year the W.A.A. has endeavored to bring together students through a media which offered the individual the opportunity to work together with his fellow college student and also be able to meet in an atmosphere of friendly competition.

# COMMISSION

The basic purpose of the Commission is to govern Student Body affairs. Commission posts represent all phases of Student Activity and the Commission acts as a sounding board to resolve any arising conflicts and create more efficient, effective means of serving the students.

Miss June Handley is the adviser of the Commission; she helps the group in rough spots and watches as it works as a body. She welcomes suggestions and appreciates friendly advice.

The Commissioners from left to right: Janet Brunson (Finance), Kathy Bauer, (A.W.S.), Linda O'Neal (Freshman Rep.), Diane Degen (Social Activities), Felisa Aquino (W.A.A.), Linda Meyer (Freshman President), Barbara Fahey (Sophomore Rep.), Maris Campbell (Vice President), Mary Moorhead (Student Store), Ann Perryman (Secretary). # Inter-Club Council

Promoting club activities is the basic purpose of the Inter-Club Council. Representatives from numerous clubs on the Maroon and Gold campus are chosen in order that every club may have a voice in each transaction. The I.C.C. together with the Commission planned and filled the calendar with activities that were enjoyed by all.

Along with their many other duties to the school, President Art Renny (center) and Vice-President Maris Campbell (left) map out the strategy for passage of Proposition 1A with Mr. Lawrence Kurz, Chairman of Salinas Area Citizen's Committee. Voters in the November election passed the measure which will enable the apportionment of state money for construction of college buildings.

The I.C.C. members pose in front of the air-conditioned science building. Kneeling members are from left to right John Vigil, Bob Shehorn, and Robert Armstrong. Standing I.C.C.-ers are John Glueck, Camilo Jimenez, Dolores Hernandez, Stan Silver, Judy Cook, Dave Mixer, Sonya Swick, Petra Valadez, Doug Edwards, Linda Camino, Sam Wheeler, Jack Horwitz, Gary Baker, Sharilyn Meyers, John Avizado, Al Smith, and Jim Riley.

# SOMEWHERE WEST OF BROADWAY

Headed by Mr. Hal Ulrici, the College-Community Playhouse has kept the Little Theatre alive with the sound of applause for the past 11 years. The 1962-63 season included "Look Homeward Angel," a dramatization of Wolfe's autobiographical novel; "Cinderella," a production for the Children's Theatre; Shakespeare's "Romeo and Juliet"; and the comedy "My Three Angels."

**W. O. Gant (Mike O'Grady), concerned about his brother's ailment, makes an urgent telephone call in "Angel."**

**Busy in pre-curtain preparation, Dave Loder, Bill Gamble, Cipy Insular, Lonnie Malcolm, and Victor Muhley (foreground), apply makeup.**

**Laura James (Beverly Johnson) tells Eugene Gant (Bill Gamble) that the difference in their ages restricts her love for him.**

**"Cinderella" characters Diane Haver, Mary Rapstead, and Gretchen Otte, listen to the disguised Prince (Mike O'Grady) tell of the coming Ball.**

# VOCALISTS

When the choir was on tour, Stephen Sutherland, Paulette Howard and James Almerico sang solos from the music "Five Psalms," by Christopher Le Fleming.

Conductor McTavish runs the choir through Randall Thompson's "Alleluia." The choir makes a spring concert tour every year to recruit new members from the graduating classes of the high schools they visit.

The choir prepares for its concert tour at Gilroy, Gonzales, King City and the University of California. The tour each year promotes public relations and advertises the college.

Myron McTavish, Licentiate of the Royal Conservatory of Music, Toronto; Fellow of the American Organists Guild, New York, heads up the choir during the absence of its regular conductor, Vahe Aslanian, who is at Stanford University on Sabbatical.

BENNETT CERF

Our smiling speaker signs in before the capacity-plus crowd. Mr. Cerf brought his philosophy of life to the focal point in his lecture topic, "Modern Trends in Literature and Humor."

### HARRISON SALISBURY

Pulitzer Prize winner Harrison Salisbury commented vocally and physically on "The Coming Conflict Between China and Russia." As a correspondent to USSR, Mr. Salisbury talked with past and present Soviet leaders—Khrushchev, Mikoyan, Kozlov, Suslov. Today he divides his time reporting on domestic politics, foreign affairs, and political events.

## PRESENTED . . .

### VIRGILIA PETERSON

Virgilia Peterson with her sound opinions on current books delivered her views on the topic "Books in Profile." An accomplished literary critic and authoress, Miss Peterson won the praise of the lecture audience with her imagination and ability to stimulate her listeners to a degree that few speakers can match.

# Student Faculty Discussions

*Seated in the center, Mr. Robert Johnston explains some Pros and Cons on the necessity of a higher standard of living for the future. To his right; Dr. Howard Feder and Dr. Jerome Holmes. To Mr. Johnston's left is Mr. Raymond Puck.*

*The necessity for "Preservation of Wild Life" was the topic on which Mr. Raymond Puck spoke, explaining the need for forests and larger dams.*

Throughout the year the Student Faculty Discussions were held in the student lounge. Perhaps the most popular one among the students was "The Population Explosion and Economic Resources."

*Politics came to the campus in the fall, when several candidates spoke on proposed ballot measures to student audiences. Liveliest of the series came when Mr. Francis argued for Proposition 24.*

# CJCSGA CONFERENCE

## AT HARTNELL

Northern region President Art Renny and conference planning chairman Barbara Fahey can be congratulated for the big success of the conference this year. Some 450 junior college students discussed mutual student government problems and also expressed support of Proposition 1A.

Art Renny wields the gavel to signal the opening of the conference.

Bob Armstrong admires the luncheon given for the delegates.

Barbara Fahey, Janet Brunson, Gary Meimar, and Maris Campbell seem to disagree with a proposal made by an American River Student.

"Go away youse guys." Hartnell men guard the homecoming bonfire the night before the rally.

"AMEN." The golden panther lies waiting in the post office parking lot for the parade to take off down Main Street.

President Art Renny applauds Homecoming Queen Peggy Seadler during the crowning ceremony at the Homecoming rally.

Gary Meimar, Student Commissioner of Rallies and Assemblies, gives the shirt off of his back for Hartnell during the Bonfire Rally.

*The Drama club float, with queen attendant Maris Campbell, drifts lazily down Main Street.*

*The WAA and Music clubs get together on a common float to make beautiful music. Things seem to be a bit crowded, don't they?*

*The slogan of this float, "Chop Suey the Lobos," epitomizes the feeling of all Hartnell College.*

## COMING

*Hartnell's favorite football team consists of team members: Right end, Janet Beddoes; right tackle, Diane Ortiz; right guard, Candy Robinson; center, Juliette Reyes; left guard, Joann Dunlap; left tackle, Maris Campbell; left end, Linda Handley. The backfield is composed of: right halfback, Jane Taylor; fullback, Barbara Fahey; left halfback, Peggy Seadler; and quarterback, Diane Schmit.*

The word "homecoming" traditionally brings the return of the alums. At this time of the year many old grads come back to Hartnell to see one another and to renew old friendships. For them Homecoming is synonymous with reunion. For Hartnell students, Homecoming means fun. A special rally where a homecoming queen and her court are announced by the student body starts the celebration. The day before this homecoming game with MPC all of the school clubs took their floats on parade down Main Street. Last but not least is the old homecoming tradition of the bonfire. This year the bonfire was ignited prematurely (by MPC arsonists?) in an attempt to upset the homecoming assembly. But the blaze was extinguished before it gained headway.

# RALLIES AND ASSEMBLIES

With Commissioner of Rallies and Assemblies Gary Meimar leading the way, the Hartnell rooters were treated to many wonderful and surprising rallies. Gary has without a doubt been one of the most "inspirational" characters to pave the way for the Hartnell students. With his funny songs and his famous skits he has set some very high standards for the future title-holders.

San Benito went down to defeat, as predicted at the Friday Rally.

John Vigil, Dan Smith, Tim Anderson, all display their wares and abilities as Pompon girls at the "Jingle Bells Rally."

"Where are the sacrificial Virgins?" wails Gary at the Bon-Fire Rally.

Our Pompon girls talk over a new routine during the Sacramento Rally.

Gary Meimar leads the student body in his famous "Crunch-Crunch" yell.

The Modern Dance Group (Jane Taylor, Michaelyn Fletcher, Jean Baxter) entertain the Student Body during one of the many Rallies held in the Gym.

Lorell McCann leads his concert group with Miss Kitty Teves at the piano to supply the music for the Homecoming.

At our Christmas Assembly Pete Cominos graciously accepts a gift from Santa Claus (Chace Anderson).

One of our Bakersfield cheerleaders (Joe Rossi) leads the assembly in "Who's Got the Spirit" yell, with the assistance of Bill Gamble and Gary Meimar.

Karen Allen, Gary Meimar, and Janet Smith lead the Hartnell rooters in the "Knit One—Pearl Two" Yell.

"Ole Miss" is the topic of buffoonery when the National Guard invades Hartnell.
